• Do not use trails if you are sick or exhibiting symptoms.

• Please use proper trail etiquette, be courteous on the trails, and warn other trail users of your presence as you pass.

• Please keep your children and dogs under your control. Pets should be on a leash to minimize close contact.

• Practice Leave No Trace and pack your trash out with you. Bury any human waste 6-8” deep and 200’ away from water.

• Avoid risks. Stay within your skill level to reduce accidents.

• Enjoy the trails and remember: we’re all in this together.
